Donate Online

It is interesting fast and quite enjoyable. If you did not yet notice the change, go to our new web page, where you will find most of the information about the 13 years old Foundation.

There are also new ways of donating that we believe are convenient and simple.

At least for those who are able to use a computer well. Maybe not just for them?

You can donate online through PayPal or through Darujme.sk.

It is all up to you.

Youth Bank Defended Proposed Grants

The group of **young volunteers** evaluated total of 13 projects and on 17th April, they defended their decisions in front of the Board of Directors of Trenčín Foundation. They accepted projects from all around Region of Trenčín and chose these as the most interesting: „**Sadze na gombík**“ from Opatová, „**S bubnom na zajace**“ from Bohunice and „**Slovenský beamvertising**“ from Trenčín. They look forward to monitoring these projects, because they will observe and experience all of them in person. In total, they will support **13 projects in total value of 2500 EUR**. All of this was made possible by financial support from **SPP Foundation and Emerson inc.**
